About Us

We at Sangita Electricals specialize in providing high quality products to businesses and consumers alike. We are based in Ahmedabad, Gujarat. Since our establishment in 1999 we have been a leading distributor in the electrical industry and have built a reputation for delivering exceptional products and services to our valued customers. We work with a wide range of manufacturers and suppliers to offer an extensive selection of products that meet the needs of our customers. From cables to high quality lightening and everything in between we are a one stop solution and we pride ourselves on carrying only the best brands and products on the market. We're committed to delivering your products on time and at a competitive price.

Whether you're a small business owner or a large corporation, we're here to meet your needs. Thank you for choosing Sangita Electricals, and we look forward to serving you!
